

**Town of Corning Local 1 Law 1 of 2020**  
**Town of Corning Brush Drop Off Policy**

The Town of Corning has seen an inordinate amount of illegal dumping resulting in an increase cost significantly for brush drop off. To remedy this situation, the Town has implemented the following regulations to control access to this area and service.

1. Brush drop off is exclusively for Town of Corning Residents/Landowners.
2. No commercial use may be made of this service.
3. A security hut at the gate located at the Highway area is staffed<sup>1</sup> (Hours TBD) from April 1 through November 1.
4. Brush may only be dropped off during the specified time.
5. Residents must show valid proof of residence within the Town of Corning or proof of landownership within the Town of Corning. Acceptable identification will be valid New York State driver's license or ....
6. Highway Department staff will maintain a log of all drop offs made.
7. Residents are limited to three drop offs per week at a maximum amount of 66 cubic feet of brush (capacity of a full-size pickup truck with a standard 8-foot bed) per drop off.

~~There are cameras on the grounds and violators of this policy will be prosecuted by the Town of Corning to the fullest extent of the Law as well as having their brush drop off privileges suspended. Fines for the first offense \$50 – \$100. Second offence \$200 – \$400 or up to three days in jail.~~

Any questions should be directed to the Highway Superintendent for scheduling drop off or coordination pickup.

---

<sup>1</sup> Highway Department personnel will staff the security hut. Time and personnel to be scheduled by the Highway Superintendent.
