

## Water / Building & Grounds Report

Nov 2022

Worked in Oakfield park

Brought back all of our tools and put away for winter

Brought back snowplows and went over them all

Moved stuff in shop for winter

Replaced flushing valve on urinal

Topsoiled 2 graves

Salted walks and lot

Did water Relevy

Got chlorine and salt for walks

Fixed charging system on forklift and serviced

Ryan had his onsite evaluation with DOH

Doh requested I work with him longer on a few key things

Doh did spot inspection on pinewood and Hornby rd. They

are asking us to look at installing an automatic flushing

device on Hornby rd. I am working on prices

Handicap door opener update

We can install one on the court door with inside and

outside buttons for 2,236.28
